To tat or not to tat? That is the question. We've had letters and emails saying, on the one hand, 'Please, no tattos on girls'. And, on the other, 'More girls with tattoos, please'. Do we airbrush them out, or leave them in all their tramp stamp glory? The usual policy is 'anything goes, except prison tats and spider's webs faces'. Let us know what you think – will *Club* lose its rep as the home of the hottest if all our pink is accessorised with ink? ♣

IN A FLAP

I just wanted to say a huge thanks to the staff and women of *Club*. I pick up an occasional copy here in NZ and think your mag provides the best women with the fleshiest pussy lips of any. I recently purchased Vol. 38/8 and found that each photo shoot seemed to display the most gorgeous pussies I have had the opportunity to lay my eyes on. When I saw the spread of Natasha and Andie I was compelled to deal with my already swollen cock. I was unsure of who was who, but my mouth watered at the fleshiness of the woman in the red G-string. I de-stapled the magazine to enjoy as many pics as I could and had them spread over my bed to jerk off to. Unfortunately, my wife caught me and was very upset at my actions.

My wife, Debbie, has very, very fleshy pussy lips and I adore them. Instead of a camel toe she looks as if she is packing something larger in her knickers. She was teased about it since she was a teenager and was called 'the fanny freak'. Some early boyfriends were put off by what they saw. As a result she has always been very embarrassed by her fleshiness and has always kept them hidden as much as they can be by full pubic hair covering.

"I put a hand on her cunt and started making wide circles on her clit"

Similarly, she has been very coy about wearing a bikini to the beach, or Lycra shorts, as they emphasise what is already blatantly obvious. While she enjoys my attention to them, she has considered getting a reduction but the embarrassment of having people looking at her has so far outweighed her wish to feel more confident about herself.

However, after being caught, I tried to explain to Debbie my need for more release and excitement by the beautiful bodies, but that I found her's the most exciting of all. She maintained her cold shoulder and I thought I would be in for a week of it. The next morning, being in the shit already, I thought I would have another look at your magazine before work. It was not where I had put it and thought Debbie must have found it and trashed it. More disheartened, I went off to work.

On my return home, Debbie was cheerful and welcoming. She looked great in a short skirt and a top I love because of how it hugs her breasts. I was aware that her nipples were hard. She told me to follow her to the bedroom as she had something to show me. My cock sprang to attention, but was a little confused as to what was going on. There on the bed were the pics all spread out again and she asked me to tell her which ones I liked best and why. I was a bit reserved to start with, but she

SIX OF THE BEST!

You were dead right when you assured Reader's Girlfriend Barbara that plenty of men would be spunking over her pictures. I've done so six times. Not bad, as I only bought the mag a week ago and have also been 'enjoying' some of the other girls like Cassie and Saffron. But Barbara's the one who's had me stiffest as she's got such a perfect body and lovely smile that just seems to be saying, 'wank over me', so it seems rude not to! She says she loves to be the reason for a hard-on, so make her happy and your readers too by featuring her face, tits and arse again.

unzipped me and began stroking my cock as I started describing the different model's pussies.

When I got to the Natasha and Andie spread, I mentioned how much it made me think of her fleshy pussy, to which she boldly stated, "Mine are much more fleshy than hers." With that, she crawled up onto the bed and, adopting the final pose in the spread, lifted her knee further up to make her skirt rise up over her hip and expose her wet and swollen lips. She was absolutely bald, except for a thin strip above her pussy, just like the models. "Which one do you like best now?' she

SUZIE'S POSH, BUT SHE'LL GIVE YOU A NOSH

Suzie Carina might just be the poshest porn star we've ever met. She sips champagne like we swig mugs of tea, and she's got more jewellery than, erm, insert name of notable jewellery collector here. But for all that, she's filthy.

"I might be used to the finer things in life," she purrs, "but that doesn't mean I haven't got a sky-high sex drive."

But you only get posh cock, we assume?

"A cock is a cock, rich or poor. Some of the best dick I've ever had has been in the scummiest dives in Europe. There's a truckstop I know where a guy has the biggest dick I've ever seen. I drive past there all the time! Seriously, it's so big I can't fit it all in my pussy. Maybe you've got one that will though..."♣

DOWN THE WIRE

What's been keeping *Club*'s network of global correspondents busy this month?

BEREAVED MUM KITS OUT TODDLERS' DEATH-HOUSE FOR HALLOWEEN JAPES

Following the horrific deaths of her two little children, aged only three and five, in a house fire in Rialto, California, look-on-the-bright-side mum Viviana Delgado (27) spent the next six months transforming the vacant, charred dwelling into a showcase haunted house for Halloween – arguably America's biggest holiday nowadays.

The death house, which is decorated inside and out with the usual eerie Halloween paraphernalia, attracted little interest from people who didn't know the story, but local parents' minds boggled in horror last October 31st when the abomination was unveiled and their kids ran past screaming… comprehending immediately what the two gravestones in Mrs Delgado's front lawn represented.

KICKING THE BUCKET

Poland's Polskieradio recently reported that a settlement had been reached in the 18-month legal wrangle between two neighbours in Mikowice. The focus of the battle was a plastic bucket worth about £2.

One neighbour had sued, alleging that the other had ruined the bucket by kicking it, and the accused had endeavoured to prove their innocence by submitting video of the aggrieved bucket-owner continuing to use the bucket as before in the wake of the kicking.

Then, in a sensational development which shocked the Polish nation, who had been following the case for almost a year and a half, the bucket-owner's lawyer countered the video evidence by calling an 'expert' witness. This expert examined the bucket in front of a packed and hushed courtroom before finally concluding that it was 'probably damaged'.

THE STENCH OF EXCITEMENT

Thorpe Park amusement facility in Chertsey, England, recently posted signs on its roller coaster, instructing punters not to wave their arms over their heads during the ride. According to the park director: "We've found that when the temperature tops 77 degrees [Fahrenheit], in the summer, the level of unpleasant underarm smells can become unacceptable."

He explained that they had been obliged to erect the signs because Thorpe Park had been in receipt of a considerable number of stinky armpit complaints from roller coaster riders last year.

TOTALLY TITS

When 30-year-old Adam Manning of Ogden, Utah, rushed his pregnant girlfriend to the McKay-Dee Hospital emergency room shouting that she was going into labour, everyone dropped what they were doing and helped the poor woman with the birth.

Everyone but Manning, who, neglecting the woman he'd knocked up, began flirting with one of the nurses, complimenting her looks as she attended to his screaming girlfriend and giving her soothing neck massages.

When Manning then allegedly groped the nurse's tits, however, she called security, Manning was eventually arrested and carted off to jail, thus missing the birth of his child.

CUPID STUNT

World famous Scottish stunt bicyclist Danny MacAskill, whose electrifying feats are featured on popular YouTube videos that get thousands of hits, suffered a broken collarbone when he tripped on a curb while waving to a girl in the course of a walk in downtown Edinburgh. Stick that on the internet, why don't you?

CHESNEY STALKS!

I love your Reader's Girlfriends section, and I've often thought about sending some snaps of my other half in. But now I don't need to – she's the spitting image of Chesney from *Club* 39/1. I'm not kidding, even her pussy lips look the same. I had to double-check for a tell-tale birthmark to make sure my bird wasn't someone else's girlfriend as well. Maybe I should get her and Chesney in the same bed!

asked. I was jabbering and gobsmacked, but full of lust for my horny wife.

"Don't just stand there," she barked, "I want your tongue deep in me and then fuck me harder than you ever have." What followed was the most passionate sex we have ever had, and after I had cum in her she played with her bare, jizz-covered

lips, saying how soft they felt, before raising her fingers to her lips and tasting our combined juices which she then shared with me. This was another first in our relationship.

That was a week ago and since then our sex life has been fantastic. Debbie went shopping and came home with a new bikini. She has to move carefully, as when she raises her legs too high, one of her lips pushes out the side. I hope she will wear it to the beach over summer. She also bought herself some bike shorts and, despite her lips being obvious for all to see, we rode into town to a coffee shop and got many an interested look from both men and women. Her shorts were wet from both the rubbing on the bike seat and the attention, and I had difficulty keeping my own arousal hidden. We couldn't wait till we got back home and found some bushes near the river to enjoy her fleshy cock socket. So, once again, a huge thank you and keep those well endowed women on your pages.

Keith, Christchurch, New Zealand

SAFF SPUNKED!

Congratulations on a superb issue (38/13). It was great to see Stella back looking as horny as ever, if not hornier. Barbara, the Reader's Girlfriend, was superb. Well worth getting her back in future. Perhaps next time we might see her holding open her inviting pussy.

The girl, however, who I think is the most amazing you have ever featured is Saffron. Everything about her is perfect. Her face is truly beautiful but it is her body that is awesome. Pert, natural tits with superb nipples. Just the right amount of flesh on her thighs. Derriere which just invites an expert spanking. Cheeks spread to reveal a pretty little puckered anus.

But gentlemen, the eighth wonder of the world is Saffron's cunt. I just loved seeing her slit held open to show a lovely set of inner labia and a hint of her clitoris. The only thing which could improve the appearance of such a perfect cunt is seeing it stretched around a big rock-hard penis, preferably mine.

Respect to Tania Stevenson for finding Saffron and knowing the poses to demand from her. Thanks to *Club* for printing the set. But most importantly, love to Saffron for being just about the most fuckable girl on the planet. I'm sure Saffron realises what men buy magazines like *Club* for. I've got pages 8 and 9 open in front of me. Saffron is displayed to perfection from the front and from behind.

As soon as I put this pen down I'm going to do what any red-blooded male does at such times. I hope it turns Saffron on to know that, yes, I'm going to wank over her pictures. And *Club*, you are going to increase your sales because I intend to cum all over Saffron. Face, tits, arse and cunt are all going to be copiously spunked over so that I will need to buy a replacement copy.

Sadly, it's just her pictures rather than the girl herself which are going to receive my spunk, but that's not a bad second best. Maybe you can show Saffron this letter as a stimulus for her own masturbation. Once again, thanks.

Marcus, Glasgow ♣

TWEAKING THOSE TITS!

So Sam reckons she has big orgasms from just having her tits played with, does she? Well, that makes her the ideal girlfriend in my book. My ex only came if I broke my jaw eating her twat for about 2 hours, so just fiddling with Sam's funbags for a few minutes to get her off sounds like a walk in the park. And what funbags! I'd have her creaming herself right off the bed once I fastened my mouth around those incredibly suckable tits. That's what I call a win/win situation – she cums, and I get a mouthful of truly ace baps.

THAT'S LATIN FOR 'LOOK AT HER FANNY!'

Seasoned fanny-watchers know a good clunge when they see one. And Monika has a mightily good one, we reckon.

"Wow, thanks," deadpans Monika. "I was hoping to be famous for inventing a new vaccine or being a major scientist, but I guess being noted for the happy accident of having a pretty pussy will do for now."

Hey, don't be so sarky. After all, it's the highest honour we can bestow. Top Tits is a sought-after award, Best Bum is hotly contested, but Fanny of the Year is the gong that can do no wrong.

"Is there an actual trophy?"

No, but if you were to grant us a personal inspection of your prize-winning bits, we could get one knocked up... ♣

CLUB'S ROUGH GUIDE TO... THE SUPER BOWL

It's baffling, involves men wearing lycra leggings, and has more unnecessary padding than the players themselves. Yes, it's Super Bowl time again, so grab a six-pack and let Matt Loxham attempt to guide you through 'The Greatest Show on Turf'...

GLOSSARY OF TERMS

Touchdown – A Goal
Gridiron – The Pitch
End Zone – Scoring Area
Quarterback – Ball Thrower
Running Back – Ball Runner
Linebacker – Ball Stopper
Offense – Attack
Defense – Defence
Down – A sequence of play
Gatorade – High Energy Drink
Commercial – Advert

THE LOWDOWN

The yanks would have you believe it's the biggest sporting event in the world – if not the universe – and with an average estimated global audience of around 100 million viewers they might actually have a point. Indeed, the Super Bowl is generally the most-watched American TV broadcast of the year, and their second largest food consumption day behind Thanksgiving.

With advertisers paying up to three million dollars for 30 seconds of airtime and producing extravagantly expensive commercials just for the event – a trend said to have begun in 1984 when Ridley Scott directed a commercial to launch the Macintosh computer – some viewers are said to tune in purely for the adverts. I can't see people watching the FA Cup Final just to see the latest offerings from Pukka Pies and Carling, can you?

The half-time show often creates as many headlines as the Super Bowl itself, most notably in 2004 when Justin Timberlake whipped a piece of Janet Jackson's top away to expose her right tit. 'Wardrobe malfunction' my arse. Huge stars from the world of music have performed in order to take advantage of the massive audience and exposure, including U2, Michael Jackson, The Rolling Stones and, ahem, Phil Collins and Sting.

Essentially, the whole shebang is one big bundle of glitz, glamour and corporate jousting, and I believe there's even some sport in there somewhere. It's a far cry from the early days when marching bands from local colleges and high schools entertained the crowds and people were more interested in the domination of the Green Bay Packers than in some celebrity flogging their latest record and the latest Coca-Cola advertising campaign.

HISTORY

Super Bowl number one took place back in 1967 at the Los Angeles Memorial Coliseum, and served as the championship game between the winners of the American Football League and the National Football League. Until that 1966/67 season the two bodies were rivals and independent of each other, but due to the increasing competition for fans and players they decided some kind of merger was the only option if the sport was ever to progress.

The NFL's Green Bay Packers comfortably won the first two Super Bowls, leading team owners to doubt the AFL's ability to compete, but the New York Jets and then the Kansas City Chiefs prevailed in the following years to even things up for the AFL. In 1970, rather than having two separate leagues and one game to decide the overall champion, the AFL teams were absorbed by the NFL to form one league comprising two conferences, the American Football Conference (AFC) and National Football Conference (NFC), and the structure remains that way to this day.

In between each down, there must be at least sixteen high-fives, two commercial breaks and three references to the high-energy drink Gatorade

Incidentally, the Super Bowl got its name after AFL founder and Kansas City Chiefs owner Lamar Hunt saw his kids playing with a toy called the Super Ball. Quite sweet in a very cheesy, very American way...

(VERY) BASIC RULES

To many, American Football is a confusing mess of shouting, aggression and colliding bodies, but the premise is quite simple: Get the rugby-shaped ball into the opposing team's 'end zone'. This can be achieved by either carrying it or throwing it to a teammate, and the attacking team (offense) has four 'plays' or 'downs' to move the ball forward by ten yards while the defending team tries to stop them. If they are successful they will receive another four plays.

Should the offensive team manage to get within 50 yards of the opposing team's end zone then they have the option to kick a field goal (3 points), which is a bit like a penalty kick in rugby. Otherwise they can push on for the touchdown (6 points) and if successful they will be given the opportunity to kick for an extra point, which is also a bit like a penalty kick in rugby. Or if they run or throw it into the end zone, they can get 2 points.

In between each down, there must be at least sixteen high-fives, two commercial breaks and three references to the high-energy drink Gatorade, and if the game lasts less than seven hours then both teams are disqualified.

VINCE LOMBARDI

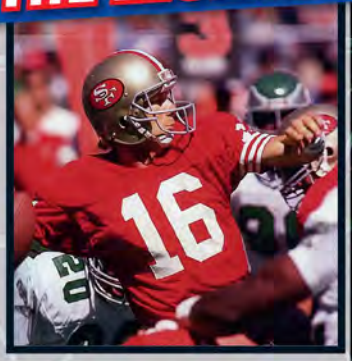
As the Head Coach of the Green Bay Packers from 1959-1967, Vince Lombardi won five NFL championships and the first two Super Bowls, an incredible record, especially considering that the Packers were previously fairly hopeless and lost 10 out of their 12 games in the season before he arrived.

A great motivator and student of the game, Lombardi instilled an incredible work ethic in his players, and insisted on complete dedication and respect. This is reflected in some of his favourite catchphrases, such as, "Winning isn't everything; it's the only thing," and, "If you aren't fired with enthusiasm, you'll be fired with enthusiasm". American Football's answer to Bill Shankly, anyone?

Just a week after Lombardi's

death in 1970, the Super Bowl trophy was named the Vince Lombardi Trophy in his honour, and the following year he was inducted into the Pro Football Hall of Fame. Many still believe he's the finest Head Coach ever to grace the game.

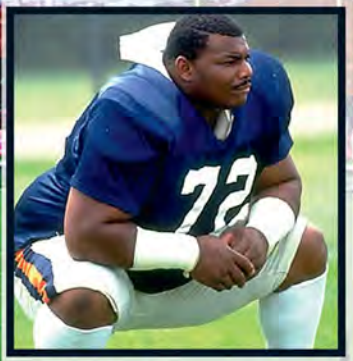
THE LEGENDS



JOE MONTANA

Widely considered to be the best quarterback of all time, Joe 'Cool' Montana was famed for his ability to keep a calm head under pressure. In 14 years with the San Francisco 49ers, Montana won four Super Bowls, and towards the end of his career even led the Kansas City Chiefs to their first ever AFC Championship game – just one step away from the Super Bowl.

Also nicknamed 'The Comeback Kid' for his ability to rally his team in the face of defeat, Montana's gritty never-say-die attitude made him a favourite with fans and coaches alike. Apparently he was also a bit of a prankster and used to put Deep Heat in his teammates' jockstraps. Perhaps to keep them on their toes so they'd be ready to catch all those razor sharp passes.



WILLIAM 'THE REFRIGERATOR' PERRY

With his huge, square, powerful frame, William Perry certainly had the white goods for success. A defensive lineman/brick wall for the Chicago Bears, in his pomp the gargantuan fan favourite weighed in at a hefty 382lbs and was the chief thwarter of countless attacks, the stuff of nightmares for quarterbacks, and an offensive blocker to pave the way for fellow legend Walter Payton to nip through and score many of his touchdowns.

But there was more to The Refrigerator than his ability to terrify people. He once guest-starred starred in the *A-Team* with Hulk Hogan, recorded a terrible rap song with The Fat Boys, he's had songs written about him, and he's even taken part in various charity boxing matches – surprisingly losing on each occasion.

THE CURRENT CROP

TOM BRADY

With three Super Bowls to his name, enough awards and accolades to fill at least 16 mantelpieces, the adoration of the New England Patriots fans and a supermodel wife in Gisele Bundchen, there's no doubting the fact that Tom Brady is a right cunt.

Okay, so we're just jealous, but this is a guy who is definitely living the dream, and if it wasn't for trouble with injuries then life truly would be perfect for this 'golden boy' quarterback. Think America's answer to David Beckham but with a hotter wife.

DEMARCUS WARE

Generally thought of as being the best defender in the current NFL set-up – he recently signed a six-year contract worth 78 million dollars – the 'Alabama Slammer' DeMarcus Ware plays outside linebacker for the Dallas Cowboys.

Basically, his job involves going full pelt for the opposing team's quarterback at the start of each play in order to try and rush him and mess up the pass or, even better, slam him to the ground. This is referred to as a 'sack' and Ware is very good at them, once even achieving three in one game.

PEYTON MANNING

Like a striker in our football, the quarterback is very much the glory boy of the game. He starts every play and is the creative hub of the team, yet it's also a very demanding position as if the quarterback isn't covered well by his offensive linemen then he can end up taking a lot of big hits. Hence why many of the great players we've mentioned thus far play in this position.

Peyton Manning, quarterback for the Indianapolis Colts, has been described as 'Carrying the team on his shoulders' and 'One of the greatest quarterbacks of all time'. He also once pulled his pants down in front of a female physio, a prank that got him into quite a lot of trouble.

SUPER BOWL XLIV

That's number 44 to you and me, and it takes place in South Florida at the Miami Dolphin's stadium on February 7th – or the early hours of the 8th for the Great British viewer. At the time of going to press, the smart money was on the Indianapolis Colts to take on the New Orleans Saints, with the Minnesota Vikings and San Diego Chargers also fancied as dark horses to make the end of season spectacular.

The Who will provide the half-time music and, perhaps most importantly, 90% of the premium advertising slots have been sold. Yes, gridiron fans, the game might fail to live up to last year's when the Pittsburgh Steelers won with practically the last play of the match, but there's going to be some fucking great commercials! Alas, us viewers in Blighty won't get to see them. We'll just have to make do with the game. ♣

A HOLE IN ONE?

THE TABLOIDS ARE IN A FROTH OVER THE SUPPOSED INFIDELITIES OF GOLF LEGEND TIGER WOODS. BUT WHO ARE THE PORN STARS HE'S ALLEGED TO HAVE HAD STROKE PLAY WITH?

Following what at first seemed like a simple domestic accident – crashing a car into a tree at the bottom of a driveway – it's been open season on Tiger Woods' marriage and alleged infidelities. Barely a day went by in December without fresh revelations about what Tiger had been doing with his wood (or 9 iron).

Now, whether or not Tiger has been landing in a few bunkers he shouldn't have been in is something for him (and his lawyers) to dispute, but various newpapers and websites kept a running tally of the alleged mistresses – reaching 15 at one point (damn, it sounds like he could have had the whole US open!) Of those 15, our eyebrows were raised at two in particular, because we'd seen Holly Sampson and Joslyn James with their foo-foos out in the kind of movies they don't show on airplanes.

"We've seen Holly Sampson in action and, believe, us, we'd definitely ride-her cup"

Sampson, 36, made her porno debut sometime in the last millennium, but then cropped up again in the late noughties in MILF fare like Pure Play's *My First Sex Teacher 18* and 3rd Degree's *Come to Momma 3*. We've seen her in action and, believe us, we'd definitely ride-her cup.

As for Joslyn James and her frankly ludicrous fake boobs, she's also a MILF specialist, getting doinked in Mayhem's *Who's Your Momma 2* and snatching a starring role in the brilliantly titled *Oops I Swallowed And It Tastes Like 40 Years Old* from Anarchy. Oh, and there's the very appropriate *She Likes It Black 4*.

Clearly they are both talented 'specialist thespians', and if Woods' reported dalliances are true, you can't knock a guy for picking girls whose sex skills are above par – he doesn't putt out of the rough. And what golfer isn't drawn to the birdies? Or swinging? Even if it all turns out to be a tissue of lies, gossip, rumours and utter bullshit, at least *Club* got to trot out its backlog of golf/sex puns. Trust us, we needed the space. We almost even got rid of our dusty 'four-ball' joke, but that was too much of a stretch even for this article. So, whether or not Tiger diddled these broads isn't up for us to decide, but rest assured we'll be doing plenty of research into the back catalogues of Holly and Joslyn in case there's more breaking news. ♣

Joslyn takes a gimme in Hustler's *Anal Training*.

We'd definitely do Joslyn in her caddy shack.

Holly Sampson takes it in the putt in 3rd Degree's *Come to Momma 3*.

Balls in play in Juicy Entertainment's *Porn Star Brides*.

CRYSTAL'S WATERS

DON'T WORRY, WE MEAN HER SEXY WATERS

Let's be clear: this isn't Crystal Valera's house. No, a kind person lent it to us so we could pretend we lived the high life with glamorous models.

The owner was a bit worried that we'd make a mess – a sticky mess – so he even removed all the furniture. Well, *Club* does have previous in that area, we'll admit.

But halfway through the photo shoot he nipped home, took one look at Crystal, and then found he had 'loads of things to do' at his house. We couldn't get rid of the bugger. He was pretending to be busy, but checking out Crystal's bits none too surreptitiously.

So, the photoshoot ended, and Crystal had nowhere to sit. All of a sudden, mein host was moving the furniture back in and being most accomodating. Needless to say, *Club* stuck around with Crystal, and a sticky mess ensued... ♣

Philips Cinema 21:9

£4,500

www.phillips.co.uk

Right, finally all those movie nerds can stop whining about the decreased aspect ratio of movies and 'letterboxing' at home, as Philips have produced you a widescreen that will give you that true cinema experience as you lay about in your Primark pyjamas. Apparently, it's all to do with how it allows your eyes to use more of their peripheral vision, but let's be honest none of us really understand all that, so what you really need to know is that it looks unbelievably clear, and they've installed a system that all but eliminates 'judder'. So, basically the next time you're having a romantic night in with the wife watching *The Transporter 3* there'll be no chance of a stripped to the waist Jason Statham, looking like he's doing half-naked robotics.

Griffin Aircurve

£16

www.griffintechnology.com

Now this is the kind of back to the future technology we approve of! As well as looking nice and see through and all that, this iPhone dock doesn't require any batteries or external power, instead amplifying the sound of the phone through a cleverly designed sound tunnel that's built into the stand. Apparently it increases the existing volume by over 50%, so when you're at a park you can annoy the people within the near vicinity, by making your Little Boots album annoyingly audible. See, if you'd listened in Physics class maybe it could have been you designing this beautifully simple piece of kit? But you didn't.

Canon Powershot D10

£379

www.canon.co.uk

Canon are obviously catering for the pool party/rap video market here, with this waterproof camera, so you can get all those sneaky shots of what goes on beneath the surface. Crucially, it's really easy to hold and pretty tough as the chances of dropping a camera whilst in or around liquid are frankly 100%. Furthermore, with it being waterproof up to 10m, you should be fine down your local baths, but not if you're baiting a shark in a cage on the Mediterranean sea-bed. But can it take some decent pictures? With 12 mega-pixels, you should be able to pick out that bikini tailoring detail with no problem. ♣

SANDY GETS A MOUTHFUL OF MIA'S MINGE

We've got something in common with Sandy Summers. No, not a lovely fanny and top tits, but that her favourite taste is our favourite taste – pussy. Luckily for her – but not for us, sadly – Mia has a pussy that tastes incredible. How incredible?

"It's like ice cream to the power of duck confit," says Sandy, who clearly eats at better restaurants than the Wimpy we frequent. "It might be the finest and most fragrant fuckhole I've ever sampled."

Mia seems happy to be subject of this taste test, laying back and spreading her legs ever wider as Sandy's tongue probes like something from NASA. We asked for a go, but she frowned at us and pulled Sandy's head in deeper to her crotch. We took that as a 'no'. S'not fair... ♣

Let us pray for the dearly departed guzzlers of cum...

No. 4 – Chloe Jones

Yet another starlet who was taken from us when she was far too young, Chloe Jones had a troubled life and a sad death, one that seemed predictable with hindsight. Born in 1975 in Houston, Texas, Chloe entered the world of modelling not long after graduating high school in 1994. A few years later, her stunning looks and platinum blonde hair got her the title of Penthouse Pet of the Month (April 1998) and it was a few years after that when the lure of adult films beckoned. By the early noughties, Chloe was fucking on film and still doing glossy photo spreads for photographers like Suze Randall, regularly appearing in *Club International*'s US edition in hardcore shoots.

Unfortunately, she started to get a rep for being difficult to work with during this time, and the rumours about her dependencies to prescription drugs abounded. That, alongside her boozing, plus her work as a high class escort, accounted for a sad few years in the industry, which culminated with her retiring in 2004. To try and get some dosh, she sold a story to the *National Enquirer* the year after, claiming the actor Charlie Sheen had paid her for a blowjob (which was disputed by Sheen's agent). A few months later, the toll of the booze and drugs caused liver failure, and Chloe was no more.

A sad life, then, for a messed up girl. But at least she gave us a few films to remember her by, and a few photo shoots that stand the test of time. Chloe, wherever you are, we hope you're happier there than you were when you were with us. And we hope you get paid plenty for those blistering blowjobs...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: CAROL VORDERMAN

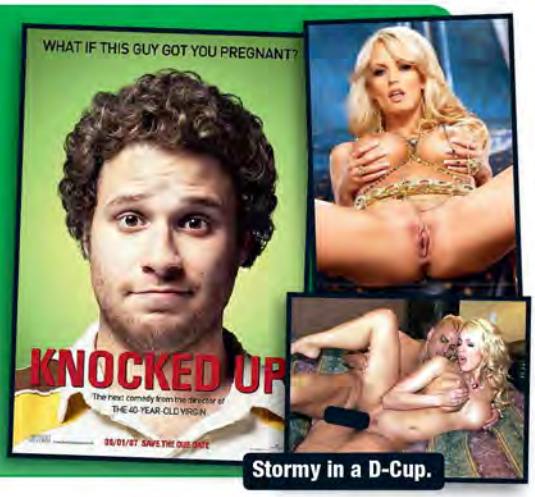
Okay, she's pushing 50, she's a maths nerd, and can happily banter with Giles Brandreth. Normally, that would be reason to give a woman a VERY wide berth, but when it's Vorderman you have to make an exception. There's no denying the woman improved with age – the fashion disasters she made as a younger woman on a cheapo quiz show in the '80s (*Countdown* in case you're a total fucking idiot) gave way to a slinky, vamped-up look as she sailed into the '90s. And to be fair, she's still doable. Yeah, you'd probably want her to shut up banging on about square roots (while you attempted to 'root' her – geddit?!?) but she's pretty fit and doesn't seem to be in bad shape, in a MILFy way. Of course, these days Carol just sits around doing adverts for dodgy loan companies and approving her name appearing on Sudoku puzzle books, so the laughs are probably thin on the ground. Still, once you'd had your fun with her 'cuntsonant' you probably wouldn't want to stick around anyway. So yeah, we'd give her one. And another one. And another one. What does that add up to, Carol? *Come and follow me on Twitter: @popshotculture I want to share my nasty little world with you...*

We'll have two from the top please, Carol.

RESPECTABALLS

WHEN PORN STARS HIT THE MAINSTREAM...

As the new Judd Apatow movie *Funny People* recently hit the DVD shelves to lukewarm reviews, it's worth investigating the director's working relationship with a certain titted porn strumpet who's now made an appearance in two of his flicks. Walking beachball-smuggler Stormy Daniels first made a mainstream appearance in the very funny comedy *The 40-Year-Old Virgin* in an obligatory stripping scene with stars Steve Carrell and Paul Rudd. The 'unrated' DVD of the movie proudly shows us her happybags in all their fake-tanned glory. But a quick look at the less funny but wildly popular *Knocked Up* shows that when a top heavy bint was required for another obligatory stripping scene (this time with chubby star Seth Rogen), once again it was Stormy who was called upon to get her chebs out. Is she Apatow's go-to gal? Why wasn't she in *Funny People*? And, more importantly, seeing as *Funny People* hasn't exactly set the world on fire, unlike the two previously-mentioned movies, is there a chance that Stormy and her not-inconsiderable norks are the rabbit's foot of luck his films need? Makes you think, doesn't it...?



Stormy in a D-Cup.

HD T&A – THE WAY GOD INTENDED...

A double-bill recommendation this month for admirers of trim 40-something starlet Marisa Tomei. Both *The Wrestler* and *Before the Devil Knows You're Dead* are available on Blu-ray and are both worth adding to your collection. Not just are they great, 70's-feel movies loaded with blistering performances and gritty direction, but both feature the aforementioned Oscar-clutching actress with her waps out.

Marisa's body is well worth an ogle in high-def, despite the fact that she was on the wrong side of 40 when she made both flicks. In *Before the Devil Knows*... you get to see her roll around on a bed with sweaty fatso Philip Seymour Hoffman, her perky norks on full display, but even better is her turn as a stripper in the Mickey Rourke comeback-fest *The Wrestler*. As she gyrates on stage (annoyingly keeping her knickers on) she gets us wrestling with our conscience every time. On the basis of these two movies, it would seem she's got a 'must have nudity' clause in her contract right now. And she's more than welcome to keep it that way (until she's 50, when we'll probably need to do a little reappraisal).

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

30% of women over the age of 80 still have sexual intercourse either with their spouse or boyfriend (we bet he's not too happy about that either)

The word avocado comes from the Spanish word aguacate which is derived from the Aztec word ahuacati which means testicle (so think about that next time you're chowing on a bacon and avocado salad)

About 1% of the adult female population are able to achieve orgasm solely through breast stimulation (yeah, I know what you're thinking: 'where does he get this shit?' It's the internets, asshole)

The penis of a dragonfly has the ability to scoop out a male rival's semen (which is just a teensy bit gay if you ask me)

THE BIT ABOUT BABES WHO LOVE TO BLOG...

This month, I've been digitally stalking brunette fuckminx Jelena Jensen in the hope of catching her posting tweets that would make me blush. To be honest, she's not exactly the filthiest of tweeters, but she does give her followers a genuine glimpse into her life, and most importantly of all, provides plenty of visuals to back up the daily meditations. So what did I learn about her? Well, she does a LOT of travelling, she likes gory horror movies, she (like almost all female porn stars) is obsessed with dogs, and she once got kicked out of a Tori Amos gig by Tori herself for singing along. Here are some choice tweets from the perky little princess:

"Totally got hit on by an old plastic surgeon that kinda looked like Hef! He used a cheesy pickup line on me!"
"Just got a Brazilian wax... it had been years since I'd gotten one. I totally forgot how much they hurt! Ouch! At least I'm super smooth now!"
"Great morning so far! Early morning sex, cleaned the kitchen, made breakfast & took my dog for a walk. Now it's time for laundry & football!"
"watching motel hell... gotta love cheesy 80's horror movies... esp ones with chainsaw to chainsaw fight scenes! LOVE IT! ;)"
"In London & having a blast. Saw the Cabinet War Rooms. Freezing here!"

Yeah, she's been to England and she thought it was cold. Not exactly Alan Whicker (topical!) but she's a lovely lass and well worth keeping tabs on. Follow her at *www.twitter.com/jelenajensen* today.

GOING GREEN

A husband and wife are shagging in bed. Every time they've done it before the husband has turned off the light, but on this one occasion the wife flicks the light on during the throes of passion and finds that her husband has been using a cucumber on her.

Outraged, she yells: "A cucumber all these years! I can't believe you! I deserve an explanation!"

The husband sits up, looks his wife in the eye and says: "Honey, I truly do apologise. I've been using a cucumber and you do deserve an explanation." The wife nods, waiting. Then the husband calmly says to the wife: "However, I will only explain the cucumber when you explain the three kids…"

HANDING A LEND

Terry and his wife are going through hard financial times, so they decide that she'll become a prostitute. She's not quite sure what to do, so Terry says, "Stand in front of that bar and pick up a guy. Tell him that you charge a hundred pounds. If you've got a question, I'll be parked around the corner."

She's standing there for five minutes when a guy pulls up and asks, "How much?" She replies, "A hundred pounds."

"All I've got is thirty," he says. She dashes to Terry and asks what this guy can get for thirty. "A hand job," Terry replies.

She runs back and tells the guy that all he gets for thirty quid is a hand job. He agrees. She gets in the car and he unzips his pants, and out pops this HUGE cock. She stares at it for a minute, and then says, "I'll be right back."

She runs to Terry and asks, "Can you lend this guy seventy pounds?"

LONG DISTANCE WHORER

A trucker who has been out on the road for two weeks stops at a brothel. He walks straight up to the Madam, drops down £500 and says: "I want your ugliest woman and egg and chips."

The Madam is astonished. "Sir, for that money you could have one of my finest ladies and a three-course meal."

The trucker replies: "Listen love, I'm not horny – I'm homesick."

FERRY TOUGH

The Captain and three sailors are left on this sinking ship. The Captain speaks first. "Men, this business about a Captain going down with his ship is nonsense. There's a three-man life raft on board and I'm going to be on it. To decide who comes with me, I will ask you each one question. The one who can't answer will stay behind. Here's the first question: What unsinkable ship went down when it hit an iceberg?"

The first sailor answers, "The Titanic, Sir."

"On to the next question: How many people perished?"

The second sailor says, "One thousand five hundred and ten, Sir."

"Now for the third question," and the Captain turns to sailor number three. "What were their names?"

EMPTY HANDED

There was an elderly man who wanted to make his younger wife pregnant. So he went to the doctor to have a sperm count done. The doctor told him to take a specimen cup home, fill it, and bring it back the next day.

The elderly man comes back the next day, but the specimen cup has still got the lid on and is empty.

The doctor says, "What was the problem?"

The Elderly man replies, "Well, I tried with my right hand – nothing. So, I tried with my left hand – nothing. My wife tried with her right hand – nothing. Her left hand – nothing. Her mouth – nothing. Then my wife's friend tried. Right hand, left hand, mouth – still nothing."

The Doctor exclaims: "Wait a minute. You mean your wife's friend, too?"

To which the elderly man replies, "Yeah, and we still couldn't get the lid off the specimen cup."

MONUMENTAL CRAP

For decades, two statues, one male and one female, faced each other in a city park, until one day an angel came down from heaven.

"You've been such exemplary statues," he announces to them. "So I'm going to give you a special gift. I'm going to bring you both to life for thirty minutes, in which time you can do anything you want." And with a clap of his hands, the angel brings the statues to life.

The two approach each other a bit shyly, but soon dash for the bushes, from where shortly emerges a good deal of giggling, laughter, and shaking of branches. Fifteen minutes later, the two statues emerge from the bushes, wide grins on their faces.

"You still have fifteen more minutes," says the angel, winking at them.

Grinning even more widely, the female statue turns to the male statue and says, "That's great! Only this time you hold the pigeon down and I'll crap on it's head!" ♣

ENTERTAINING THE TROOPERS

The soldiers are tired and lonely after spending weeks in enemy territory, so to entertain them the Major calls for this sexy dancer to come over from the nearby town. So she comes, dances, and when the first dance is done, the soldiers go mad. They clap for 5 minutes.

For her second number, she strips and dances in a sheer bra and G-string. This time the applause goes on for 10 minutes. For the next number she dances topless, and this time the applause runs on and on. The Major has to come on stage and ask them to quiet down for the grand finale.

For her last number, she is to strip completely and dance naked. The Major expects the soldiers to make enough noise to bring the roof down, but ten minutes later there's no clapping and the dancer comes backstage.

The Major asks her, "What happened? How come there was no clapping this time?"

She replies with a wicked smile, "Major, how do you expect those poor boys to clap with one hand?"

WE'VE GOT A KHRUSH-CHEV ON NIKITA!

Nikita gets really naughty right now at:
www.paulraymond.com/club

We love Nikita. Seriously. We've even gone so far as to make a shrine to her, full of scented candles and pictures of her with her nice bits on show. We'd like to think that if we showed it to her, she'd be flattered and delighted and would instantly want to marry us and all her clothes would fall off and then she'd do us.

Of course, we're not stupid. We know that she'd probably get scared, run off and take out some kind of injunction against us. But then she'd think again later, be flattered and her clothes would fall off and she'd call us up to apologise and would say, "please do me in the bum by way of apology." Much more realistic, we're sure you'll agree... ♣

NAME: Alexa **AGE:** 20
VITAL STATISTICS: 34A
WHAT'S SHE LIKE? She's shy, until the booze kicks in.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
To be honest, it was a drunken bet with a couple of female friends who are right dirty cows. I lost.

SO THIS'LL BE YOUR LAST TIME TOO?
Who knows? I actually enjoyed it. I had to have a few drinks to relax into it, but once I did I got properly horny and I can see why some girls love to do it.

YOU KNOW THAT MEN ARE GOING TO BE SPRAYING YOU WITH SPUNK?
I never thought of that! Honestly! Maybe they'll save it for the proper models, but then I quite like the idea of a bloke with his knob in his hand stroking it for me. There you go, I'm getting horny again.

SEE, WE KNEW YOU'D GET INTO IT.
Yeah, but I could never be a porn star. I pull some really funny faces when I'm fucking and no-one wants to see that.

WE DO.
I'm not writing off a private viewing, but there's not a chance in hell I'd do that on camera. You might persuade me to get my clothes off again, though. I'm getting turned on again thinking about how nice that felt. Maybe I'm a secret dirty cow as well! ♣

ALBUM REVIEWS

VAMPIRE WEEKEND

Contra (Rough Trade)

Remember Jay from *Inbetweeners* talking about those blonde twins that only liked anal? Well, that decent tune in the background was *A Punk* from these New York indie popsters – and here they are parading their 2nd LP. With Latino strings and choruses, stick this on and stick your cock up a blonde girl's bum.

JOSE GONZALEZ

In Our Nature (Peacefrog)

Peaceful and relaxing, Gonzalez appeals to the chilled out hippy types – which is great news if you like your ladies with a lot of hair on their pussy – and possibly their armpits. Featuring a cover of Massive Attack's *Teardrop*, this album is ideal for rolling a joint, lying back, and having that bushy fanny rubbed all over your face.

LOS CAMPESINOS!

Romance Is Boring (Wichita)

This album will surprise you – it's amazing. Made from a musical tool box including glockenspiels, cowbells, and electronic keyboards, the 7 Cardiff youngsters know how to please a crowd. Perfect for sticking your hand up a Taffy's skirt and bagging yourself a slice of Welsh rarebit.

FEAR FACTORY

Mechanize (Candlelight)

If you like your snatch wrapped in black paratrooper boots with a generous helping of black eyeliner – Fear Factory's metal is just your ticket. Plus, these girls will gag you, blindfold you, and damage you with a big black 18 inch dildo.

CAM'RON

Boss Of All Bosses (Gangsta Grillz)

Bad ass girls love a bit of hip hop and they will no doubt enjoy licking your cock whilst grinding to Cam'ron's NYC vibes. Pour yourself some Hennessy, don the flashy tracksuit, and jam 4 digits inside your lady.

NEW BOYZ IN TOWN

Club goes to LA to chat to New Boyz rapper Ben J about pussy...

So what did you do for cash before the music?

I was playin' football since I was like 6 years old. I stopped playin' football 'cos I felt that rappin' would give me something more than going to the NFL, because only a few people go to the NFL. You got a lot of competition and I felt that if I rapped I was going to make it.

Did you get lots of pussy playing football?

Yeah, 'cos I was a jock – that's what we call in high school the popular student just walkin' across with the Letterman jacket on lookin' all good and the girls just goin' "Ooooh!"

Did you ever get in any bother with the police?

Yeah, I got a story. We were at the mall and we wanted a pair of Levi jeans. So we went to the store and Legacy [other half of New Boyz] didn't have no money so we had to steal them. He went outside first and he didn't get caught and I came outside with the jeans under my pants and I got caught, so he got caught with me 'cos he was my friend. After that, our parents found out and we had trouble.

Legacy got kicked out of his house and moved in with his Dad and started at a new school. And he was like, "Oh man, it's so good at this new school – I get so much attention now I'm the new boy." We decided to be new boys at every school and go on tour so we started a group. We wanted to be centre of attention – so we called ourselves the New Boyz. Stealin' those jeans was a blessin'.

Where in the world is your favourite place?

Atlanta, Georgia, because of all the girls. The party is crazy – when you're in a club everybody is rockin' to the left, and to the right, they say all the words together to all the songs. The girls got big butts and lookin' nice and stuff and us guys like that.

Where's the most random place you've ever had sex?

In a Mexican fast food joint. She was like, "Lets just go in here and do it." I was like, "OK baby!"

Who was the dirtiest girl you've ever fucked?

I think she was in Indianapolis. She was crazy – she was like a porn star. She was older than me and I was like, "Oh, damn!"

Have you ever had a threesome?

Oh yeah, those are the best. I've had 2. You've got one girl using her mouth and then there's the other girl doin' stuff – it's crazy.

Have you get any fetishes?

You gotta have cute feet with me – it's such a turn off if a girl has ugly feet. And I'm a butt guy too...

LOVE!

ATM?
Nah, nah.

Where have you been that had the easiest girls?
People say to me that I can get a girl like that. It's just like that. I don't go to bed with nothin' besides me at night – it's just what us guys do.

Cheers Ben J – keep on shaggin'.
Nice talkin' to you.

ON THE GAME

Napoleon – Total War (Sega)

PC ★★★★★

Up there with *Football Manager* as one of the biggest time-sappers in the history of the world, the *Total War* series has gone from strength to strength in recent years, thanks to the unstinting work of the geniuses at The Creative Assembly.

In their latest update, you get to be Napoleon (or one of his opponents), and there's all the Empire-building and vast battles you'd expect. Naval battles are still underwhelming, but you'll be sucked in to marching on Moscow or trying to change history by defeating the English at Waterloo with plenty of new units to control. It's one of those 'just one more battle' games, and all of a sudden you can see the sunlight coming through the curtains and you're on your 8th glass of port. Or maybe that's just *Club*. Regardless, don't expect to see the wife or kids this year. Or next.

Tom Clancy's Splinter Cell Conviction (Microsoft)

PC, Xbox 360

★★★

Tom Clancy's name seems to be on a hell of a lot of games, but the only ones we ever seem to go back to are the *Splinter Cell* ones. The early adventures of Sam Fisher were heavy on the stealth and sometimes a tad light on engagement, but this is a franchise that keeps getting polished and keeps improving with every iteration. Yes, we know big words like 'iteration'. This time, Fisher is investigating his daughter's death blah terrorists blah stealth blah and so forth.

We just go in all guns blazing and ask questions later. It's the best way. It sits equally sweetly on PC and 360, and the online multiplayer and co-op options are an intriguing spin on the normal blastfest. Maybe this Clancy guy is alright.

Scene It! Bright Lights, Big Screen (Warner Bros.)

PC, Xbox 360, Wii, PS3

★★★

Scene it! is one of those games that just doesn't work on your own. Okay, you can sit on your tod answering all the film questions and trying to be as quick as you can and patting yourself on the fucking back for having seen Miss Congeniality 2, but it really only comes into its own as a party game. Ideally play against some people whose film knowledge begins and ends with Love, Actually or some such crock, or against some old gimmer whose sluggish reactions will guarantee you a win. Because it's not the taking part that counts, oh no. Fuck that.

ELECTION-SPEARING!

I won't name names, so I'll call him Jack. He's in politics and needed to convince people to vote in a local election, so he got me and two other girls, Jennifer and Hailey, to add some much-needed glamour to his campaign – going door-to-door and stuff like that. By the end of what turned out to be a long, tough week, we all needed to blow off steam. Hailey – she's got a thing for older men – was flirting like mad and there was something about Jack. When he started to get off with her, I got this sudden surge of envy, and grabbed the nearest warm body – Jennifer's!

We stripped each other slowly, kissing and licking each other's exposed skin. Jack and Hailey stopped kissing to watch, but he had a hand inside of her pants and she was rubbing his crotch. His eyes widened as he saw my nipple ring, fingers thrusting harder into Hailey's cunt.

Soon, Jennifer and I were naked and sixty-nining, me on top. Hailey padded over, got on all fours and began to kiss me, just a distraction so she could finger Jennifer's arse. Yeah, we were really going for it straight away.

Jack stripped too – he had a fit, buff body for his age, and a thick, rearing cock. And who'd have thought he'd have smooth-shaved balls under his suit? He got in behind Hailey, made his intentions clear, then shoved in. But all the while he was fucking her, he was looking at me, thinking how it would feel to fill my pussy…

I licked my lips, sucked a finger in to the knuckle and pulled it slowly out, then pointed it at him. He pulled out of Hailey's box and

"I took it right in to the root. Then I just focused on his bell-end, jerking him against my tongue…"

walked over, cock dripping, and I took it right in to the root first suck. Then I just focused on his bell-end, jerking him against my tongue.

I pulled away from the other girls, who were just as lost in each other as I was in blowing Jack. Then he asked me if I wanted his cock inside me. He loved my boobs, in particular my pierced nipple, so I straddled his crotch reverse cowgirl, so he could play with them. He squeezed them as his dick penetrated my snatch, and I could feel myself tighten up around it. As I rode him, he kept flicking the ring, then finally got his mouth around my tit so he could tongue it.

The other two girls wanted in on some group fun now, playing with Jack's nuts, guiding his dick in and out my minge. I could feel him get hotter as I circled my arse against his crotch then, suddenly, I felt him shoot deep in my cunt, flooding it with hot, gooey spunk.

I squatted over his crotch,

letting it trickle out of my pussy and all over his cock and balls. Jennifer tasted it, first off of her fingers, then right from the well. As I lay back and she started to eat me for real, Hailey dove right in again, lapping creamy white drops from Jack's thighs and stomach, working her way toward his balls and then his dick.

She was soon sucking him, determined she'd get his next load. He let her suck him stiff and then a little more, before asking her to bend over. He toyed with her arsehole, but it was just a tease – he pulled his fingers out, then rammed his dick into her cunt.

I know I squeal when I take it hard from behind, but Hailey was really bringing the house down! Jennifer and I just kept each other bubbling over, enjoyed the show, but as we saw his jizz bubble out all over her slit, we frigged each other to a furious orgasm.

Jack's a good sort and means well, but I don't know how far he's going to get in politics. He's one big scandal waiting to happen – he just can't keep his dick in his suit. Forget election, it's all about the erection! I just hope it's some consolation that he and his cock have avid supporters in us girls!

REVENGE ROMP!

When I discovered my boyfriend was cheating on me with one of his colleagues, Anna, I confronted her. But she seemed like a nice girl and I believed her when she said he'd lied to her too, so we talked over a few drinks and cooked up a plan for revenge on the dickhead!

We didn't want to do anything too heavy, and it was Anna who had a plan. He'd given her a key to his flat, so we decided to go there, film ourselves fucking and post it online. We thought he might enjoy watching girl on girl, so she talked another of his colleagues into joining us, a bloke named Paul, known for being an extremely randy bugger.

We filmed enough to give him the message, opening with me masturbating on his couch, a big toy rammed in my fanny. Maybe his diamond-cutter hard-on would distract him from the sight of my spike heels against the expensive leather as I fucked myself.

Next, I got Anna to help me out, sucking on my

big tits. We got in a sixty-nine with her working my clit, as she moved her twat against my mouth. We gave him enough time to get into beating off, then Paul joined in, getting in behind Anna, cock poking up and balls swinging right above my face. He wet his fingers in her hole, rubbed it all over his meat, then let me suck on it – then I played it against her slit, telling her to hold on tight, this was one big knob.

Paul fucked her hard, their flesh slapping together above my head, little drops of juice flying all over. I wasn't getting licked now, but my toy was keeping me happy as I fucked myself to the same hard rhythm.

It's a shame that Paul lasted a lot longer than the tape, as it would have been one hell of a cumshot, him pulling out for one last suck before spurting his sperm all over my boobs. He told us to hold it right there, reloaded the camcorder, then zoomed in on a shot of Anna grinding her arsecheeks against my equally round boobs, little stringers of cum stretching between them.

Next, we took the action into the bedroom. The sheets were obviously freshly laundered and we were planning to have some fun messing them up. Anna and I were rolling around on the bed while Paul filmed, then he positioned the camera as we got back to fucking again.

I was stacked on top of Anna in missionary this time, and Paul posed us so her bum was on the end of the bed. This meant he could stand and switch between us, cock thrusting in her cunt then pulling out to dip in mine, then back again.

If Anna was half as wet as me, we'd be soaking the sheets – right now she was taking her turn, shunting back and forth, moaning over my shoulder. I squirmed my bum and Paul pushed into me instead, pubes brushing my crack. Now I told him I wanted him in my arse. I only did anal a few times with my ex. "I feel like such a fucking dirty cow when I take it in my bumhole," I moaned, then gasped as Paul's big, wet prick sunk in and began pumping.

"Yeah, Paul can show him how it's done," Anna said, which just spurred Paul on to do me harder and deeper, as Anna slipped my toy in her own backdoor and stirred it around.

Paul got another extreme close-up of my bum, of the jizz trickling down onto the crisp white sheets. Then he followed me and Anna into the bathroom where he filmed us taking a shower and soaping each other clean again, before I snacked on Anna's snatch.

We posted the best parts on a porn site and emailed my ex the link. He said he almost lost it when he saw us, but had to admire our class. That doesn't mean Anna and me are ever fucking him again – we're finding our fun elsewhere now, and it's definitely not just with Paul…

PARTY POKER!

Recently my wife and I stayed with her sister after a party, as did one of her sister's female friends – Letitia, a fit and obviously frisky brunette who kept giving me the eye. The missus noticed and, when we went to bed, fucked me like she was marking her territory, splaying herself on my dick and leaving the two of us soaked in cum and cunt-cream.

Usually, this would satisfy me, but it just got me horny for more. Unable to sleep, I went downstairs to grab a drink and found Letitia there, like she was waiting for me. She said she knew I'd got some action, she could smell the sex on me. Then she asked if I wanted some more. I tried to say I'd always been faithful, but she was already rubbing up against me, hand straying dangerously close to my cock.

I could have stopped her but I really didn't want to. Instead, I put my own hand over hers, and guided her to stroke me off. "Maybe we could just do this," I moaned.

"Maybe…" she said, rolling her eyes.

I knew I'd finish up nuts deep in her, so I stopped fighting it. Now, as she handled my meat, I brought my hands up to squeeze her tits. As I sucked her nipples, her grip tightened. I could feel the veins in my prick pulse and swell, and when I got a couple of fingers in her snatch she felt so hot and tight.

"I spanked her arse, which made her clench even tighter around my shaft..."

She was in a playful mood and told me to lie under the table, so I could see through the glass top of it as she squished and rolled her big boobs up against it. I fingered her, then got her to lie down so I could eat her pussy for a bit.

She liked it when I licked her from behind, lapping her cream up her crack to her arsehole. But I wanted more of that tight cunt. She wanked me for a while, then guided me inside of her so we were spooning on the rug. We took it slowly, Letitia reaching back to caress my balls while I groped her tits. Then she started to grind and I thrust harder, ploughing in real deep.

This still wasn't enough, so she got on her hands and knees. Probably the worst position a man's wife or in-laws could catch him in, but I like a little danger! As I banged her I kneaded and spanked her arse, which made her clench even tighter around my shaft.

My balls felt like they could overflow at any second. I knew I was on the brink of cumming, so I pulled out. Letitia moaned and rolled over on her back, spreading wide and rubbing her twat. As the cum shot out of my tip, I rubbed it all over her crease and clit, icing from her mound down to her arsehole and making her orgasm. My dick still throbbing, I pulled her sticky outer pussy lips apart with my fingers, then watched as she gave her clit even more attention, seeing her cunt gape then snap tight as she came again.

I figured I'd better get back to my room before I was missed, but Letitia wasn't finished with me yet. We started petting on the floor and, when she'd got me hard again, she slathered her tits with cream and got me to fuck her in between them. My cock was engorged, red and glistening with wetness, so she couldn't resist a suck on it. But as the friction built, I just went back to screwing her boobs until I was shooting my muck again, all over them and into her open mouth. I watched it run down over her tongue and then down into her throat.

My wife was sleeping when I went back in the room, although I woke her with a guilt-fuck the following morning. It's a good thing Letitia didn't stick around for breakfast – my hard-on would've punched a hole in that glass table if I'd had to sit looking at her tits over coffee!

RATINGS: ★ KLEBERSON ★★ DJEMBA-DJEMBA ★★★ VERON ★★★★ BARTHEZ ★★★★★ LAURENT BLANC

SUSPIRIA (Nouveaux Pictures £15.99 DVD, £19.99 Blu-Ray)

Dario Argento might have gone off the boil recently – seriously, did you see *Giallo*? – but in the late 70's and early 80's he was on top of his frequently bizarre game. *Inferno*, *Tenebrae* and, best of all, *Suspiria*, were terrifying, horrifying, bizarre, beautiful, original and compelling. Drawing on Thomas De Quincey's *Suspiria de Profundis*, *Suspiria* tells the tale of American ballet student Suzy Bannion (Jessica Harper), who travels to the Black Forest in Germany to study at a top dance school. Only, there's isn't a whole lot of dancing going on, as she soon finds out.

Instead, the academy has a sinister history, and classmates are soon dying in ridiculously elaborate ways. This is where *Suspiria*'s genius lies, as Argento stages elaborate set-piece deaths that hark back to the excesses of grand guignol. The atmosphere becomes oppressive – helped in no small part by the brooding score courtesy of Goblin – and every scene is more artfully staged than the last. It's sweet to be able to appreciate it in HD, the digitally remastered transfer doing Argento's vision justice. The extras aren't excessive, but there's an excellent, lively and informed commentary by horror buffs Kim Newman and Alan Jones. You'll never look at a school room full of barbed wire the same way ever again.

LIFE ON MARS (20th Century Fox £34.99)

Transatlantic transfers of TV shows have a chequered history. We've been exporting TV to the Americans for a long, long time, and many shows became mainstays of US networks – *Steptoe & Son* begat *Sanford & Son* as long ago as 1972. More recently, the transfer of *The Office* to the US looked a tricky proposition, but has instead been a triumph, with Steve Carell taking the 'David Brent' role into a whole new area. So how did the US version of *Life On Mars* fare without John Simm and the always excellent Phillip Glenister? Well, it had a cracking cast of its own, with Harvey Keitel, Gretchen Mol and Michael Imperioli (*The Sopranos*) heading it up. And it holds up pretty well on screen, with the 70's US setting garnering praise. Still, that's not enough in US telly these days, and disappointing viewing figures led to its cancellation after just one series. Patience is not a virtue for the US networks, and it's unlikely they'll be adapting *Ashes to Ashes* as well. Which is just as well, because unlike this, *Ashes to Ashes* is wee.

SETH MCFARLANE'S CAVALCADE OF CARTOON COMEDY (20th Century Fox £12.99 DVD, £19.99 Blu Ray)

A couple of years ago, *Family Guy* took over from a stumbling *The Simpsons* as the funniest animated show on TV. But then it looked as if *Family Guy* had jumped the shark too, with the awful *Blue Harvest* spoof of *Star Wars*. So it's good to see Seth Macfarlane branching out, delivering up some good yuks here with some 50 short skits and scenes. It's rude, crude and laugh-out-loud funny, with all kinds of pop culture celebrities skewered without mercy. And Tara Reid. We especially loved the entire 4 series of *Entourage* condensed into 4 seconds.

★★★★

COMPETITION

The nice people at Fox have given us 5 copies of *Seth Macfarlane's Cavalcade of Cartoon Comedy* to pass on to you, the reader. Sweet, huh? Just send your name and address to the *Club* office to be in with a chance of grabbing one.

The Unit Season 4 (20th Century Fox £39.99)

Where do American presidents go when they're killed in *24*? Well, if they're Dennis Haysbert they join *The Unit*, which has just been canned after 4 series. Based on the US special unit Delta Force, *The Unit* sees 'Snake Doctor' (Haysbert) heading up a top secret team in various covert missions. Happily, they throw some domestic issues into the mix as well, and Haysbert has charisma to burn in the lead role. There's solid support from Regina Taylor, Scott Foley and the always welcome Robert Patrick. There's little in the way of envelope pushing, but this is typically polished fare of the kind the Americans poo out on a weekly basis. And it's got the President from *24* in it.

★★★

Sons Of Anarchy Season One (20th Century Fox £24.99)

Who'd have thought that Charlie Hunnam – yes, the one from the execrable *Green Street* and *Queer As Folk* – would go on to play the lead role in a hit US series about an outlaw motorcycle club in California? Even Derek Acorah couldn't see that one coming. *Sons of Anarchy*, just renewed for a third season, airs on cable channel FX, and it's cast is just one of its strengths. You can't go far wrong with Katey Sagal and Ron Perlman as regulars, while Hunnam excels as Jax Teller, who comes to questions the club's criminal involvement – protection rackets, providing guns to drug dealers – in what turns out to be a compelling family drama. We're rushing to catch up before the next lot begins, that's how good it is.

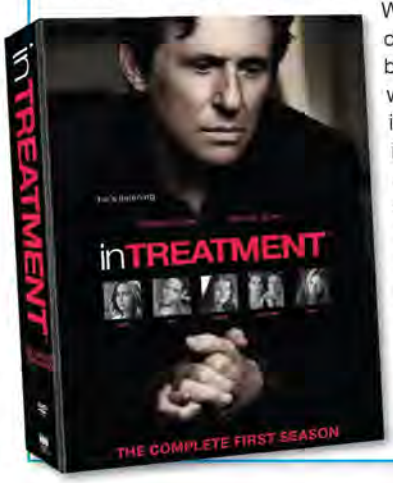
In Treatment: Season One
(HBO Home Entertainment, £44.99)

Fuck me, but HBO know how to pick a good show. Not content with eating up our lives with *The Wire*, *The Sopranos*, *Six Feet Under*, *Carnivale*, *Deadwood* (tragically cancelled in its prime), *Entourage* and more, they now give us *In Treatment*, to yet more unanimous acclaim and awards.

This is structured differently from your usual show, however, with 5 episodes per week, running over 9 weeks. Psychotherapist Paul Weston (Gabriel Byrne) sees a different patient each day from Monday to Thursday (Melissa George every Monday, for example), and then on Fridays sees his own therapist, the truly brilliant Dianne Wiest to explore his own demons. A 43 episode series is a big commitment, but it pays off with slow-burning drama and incredible performances. Byrne is stellar, while the regular cast of patients each bring something different to the party. You have to admire Weston's restraint as well, when the gorgeous George (formerly of *Home & Away*) admits she's in love with him. If that was us, we'd have broken every patient / doctor rule going.



★★★★

Thirst (Palisades Tartan £19.99, £24.99 Blu-Ray)

Park Chan-Wook has got previous. *Old Boy* was one of the most entertaining and original movies of the past ten years, and the rest of the Vengeance trilogy was pretty special too. The subsequent comedy *I'm A Cyborg* might have been seen by some as a misstep, but was actually the work of a true maverick. Now *Thirst* sees him take on today's hottest genre staples – vampires.

Happily, it's one million times better than the insipid *Twilight* saga, with Korean stalwart Song Kang-Ho (the comic relief from *The Host*) playing a priest who contracts vampirism after a blood transfusion goes wrong. Things get even more complicated for him when his friend's wife, Tae-Ju (Kim Ok-Vin) comes into his life. Cue bloodsucking, sex and a headlong plunge into moral decline. It's loosely based on Emile Zola's *Therese Raquin*, but don't let that put you off. Chan-Wook is in a class of his own, and Korea continues to throw up some of the best cinema in the world.

Mersine Killer/Mersine Public Enemy No.1
(Monomentum Pictures £19.99 DVD, £24.99 Blu-Ray)

A few issues ago, we got rather excited about reviewing *Mesrine*. Right up until we realised it was actually a cheapy cash-in from yonks ago. Still, we didn't blink, and now we bring you the proper review of the proper film. Released in two equally superb parts, *Killer Instinct* and *Public Enemy No. 1*, Mesrine sees Vincent Cassel essaying the lead role, a notorious real-life French criminal.

Killer Instinct depicts Jacques Mesrine returning from the Algerian war and taking his first steps into the underworld of 60's Paris. He takes to it like a duck to water and soon he's having affairs, swanning around, doing time, breaking friends out of pokey and fleeing to Canada, where he gets up to no good around. It's far from subtle, but as criminal romps go, it's top notch.

Public Enemy No. 1 finds him back in his native France, arrested, escaping again, kidnapping a judge, inside again, escaping yet again and then... well, you'll see. Cassel is incredible throughout, and there's fine support from solid character actors like Mathieu Amalric. Arguably the first celebrity criminal of the TV age, Mesrine's story transcends national boundaries. It might have been bigged-up a bit too much in some quarters, but this is still a must see, and Cassel's finest hour.

PEACHES

The place to be for the world's dirtiest backdoor sex stories. All butts and no ifs...

FUCKY NUMBER!

My lucky number is sixty-nine, and my boyfriend, Danny, agrees. He first took me home after a party and went down on me so long and so well I just couldn't leave him to do all the work. Anyway, I always cum harder when I've got a tasty mouthful of cock, and he's got more than enough to satisfy my needs. We love quickies, but nothing beats a long, slow fuck-session. After some foreplay we'll fuck. I'll ride Danny in reverse cowgirl, grinding on his cock while he plays with my arse cheeks.

I'll grab his nuts, rub them against my clit, and no matter how hard I cum, I always feel him shoot his load too. His balls will jump in my hand and then I'll feel him spurt in the depths of my cunt. I like to sit there for a while, squeeze him tight and feel the wetness sloosh around his dick. Then I'll pull off of it and back up, seeping jizz, until his mouth is on my hole.

I let him lick me, while we give his dick time to cool off. It's hell having to hold back from touching it, though I love to watch it get hard as he chows down on my sloppy twat, making me cum in his mouth.

At last I'll wank him, hand over hand, warming his length to stiff, sticky sweetness. Then I'll wrap my mouth around the helmet, tasting the salt on my tongue then breathing in deep to get that faint aroma of pussy.

I could seriously suck Danny for hours, just lying on him, tits up against his stomach. But no man could take that much of a sucking off of me. Who cares? When I start getting off, I don't stop.

Once I've cum, when my cunt is like a ripe peach above Danny's face, he'll start to lick my juices up my crack. I'll feel his tongue lap around my arsehole, then his fingers get busy, tapping, gently probing, dipping in my wetness, then sliding gently in my bum, one at a time.

I cum really hard, almost immediately, as he pumps my arsehole and sucks on my clit. He says he loves to play his tongue against it, lick it until it swells up, feel the juices running out of my pussy. Naturally, my bum clamping tight around his fingers when I orgasm gets him thinking about how it's going to feel around his cock, and I'm not about to deny him.

I just love the anticipation, feeling him slide another finger into me, gently laying me open, prising my cheeks apart as he wets my arse with his saliva this time. Then I feel his hands push, coaxing me downward.

It takes me a little time to respond – once I start sucking his cock, I really, seriously, don't want to stop! I'll be slurping desperately on it, like it's the last time I'm ever going to get to blow him. Then he'll start squeezing my arse cheeks, thumbing my hole, showing me what I really want from him. I'll slide down, frigging myself over him, wetting his skin. Then I'll take his hard-on, place it at my tightest hole and sink down, slowly but surely, until he's in me right up to his balls.

I can't describe how fucking incredible it feels to have my man fuck me in the arse like this. He's got a big dick but it feels even more huge buried in my bum. It's like I'm writhing on his knob and the slightest touch to my clit gets me cumming so hard.

It still leaves me hungry for more, though, so I'll drag myself off of him and get on all fours, arse in the air. That way I get to feel him penetrate my backdoor all over again, then pound away until I'm cumming and he's spurting his load, all hot and wet, inside of it.

"He's got a big dick but it feels even more huge when it's buried in my bum..."

Yeah, there are plenty of other ways to fuck, and we've probably tried most of them. But I don't think anything else could leave us quite this satisfied!

Gayle, Leicester

ARSE NO QUESTIONS...

One red-hot afternoon, my neighbour's wife, Denise, caught me trying to gatecrash their pool party. Well, if you're rich and stupid enough to have a pool in London, you deserve what you get! But she didn't shout at me or call the police – because at the time she was face-to-cock with some guy who wasn't her husband. I went to leave but she told me to stick around – I thought she'd plead with me not to tell anyone, but she really wanted me to join them.

This was surreal, and most likely very wrong, but I didn't care. I lay down on the sun lounger and she straddled me, taking my cock in deep as she went

back to sucking her bloke, who she introduced as Russell. He set the pace, banging in and out of her mouth as her pussy bounced on my dick and her tits swung in my face. Then I got a good close-up view as he came, him shooting so much spunk she had to drool out what she couldn't swallow.

As he kneaded her tits, she arched upward so she was slamming square down onto my cock. I grabbed her arse – she was a curvy girl and I could have played with those buttocks all day, but my dick was throbbing and my nuts ready to burst. Next thing, Denise was moaning and squeezing me tight as the cum spouted out deep in her snatch. As we fucked, I heard a splash. Russell dove in the pool, and she jumped in after him, already looking for her next dick!

By the time I hauled myself up and jumped in the water, she was wrapped around him, legs clasped behind him as he sucked on her nipples. Then she let herself slide down the front of him, impaling her snatch on his dick. As they started splashing, he laid her back in the water, so I could play with her tits as he hammered in.

Once she'd got me hard with her hand, she wanted to suck me. We moved things shallower, so my hard-on just jutted up out of the water. Denise bent forward, took me in her mouth and Russell got in behind. The sight of her smooth, pale bum cresting above the surface was a huge turn-on. Then I saw him lube her arsehole with sun lotion, and ease in slowly.

Her moans vibrated around my dick, and then she took me deep, pulling down on my balls to ease the pressure on them. Then, as I pulled back out, she curled her fingers around my shaft, forming one big tube around it with them and her mouth.

Russell's prick was reaming her bumhole, withdrawing so far I saw the ridge of his helmet, then driving in so deep her arse cheeks parted against his crotch. A few thrusts and he just stayed buried in her, so she sucked me harder as he rotated his crotch up against her arse.

He fucked her hard and I felt her cum. I thought he'd lose his load inside of her, but instead he pulled out, slapped his cock between her cheeks and jizzed all over her back. I watched it pearl on her wet skin as she sucked on me with a vengeance. I was desperate to cum in her mouth, and felt her suck me to my last spurt, which I blasted all over her tits.

Russell gave her one last orgasm, towing her to the deep end on her back and eating her pussy, while I kept her face clear of the water and fondled her boobs. Once he'd left she wouldn't say who he was, just that she'd appreciate it if I didn't tell.

I promised to keep quiet, no matter what, but if she wanted more fucking so did I, and I really fancied a go on that arse of hers. Her eyes lit up and she turned round and bent over. We've hooked up a few times since, but she's a cocktease too. I've seen her lie out by the pool, tits bared and hands inside of her bikini bottoms, then she'll go indoors to give her bloke a shag. Most times she sees me looking, and knows that while she's taking his cock I'll be wanking mine, wishing it was deep inside of her warm, clenching arse…

SCRUFF JUSTICE!

Ladies who like to get porked with a camera in the vicinity. Sweet...

RATINGS: ★ HATCH ★★ BATCH ★★★ THATCH ★★★★ MATCH ★★★★★ SNATCH

MATCH MATES (JOY BEAR ORGANIC)

Michelle Moist? Lolly Badcock? A hands-on 30-year-old female director? This we like. Liselle Anthony has produced porn before, but this is her directorial debut, with some verite styling that reminded our pornhounds of Anna Span. A former teacher, she'll soon find out that porn stars are harder work and higher maintenance than kids. But she seems to be having fun, warming her hands on some of the girls. We're only gutted she wasn't enticed by the dicks on display as well. Maybe next time, eh? ★★★★

BUST LUST (HARMONY)

This isn't one of Harmony's more complex efforts with gas masks, rubber and whatnot. No, it consists of little more than a load of birds with big knockers getting bummed in the bum and bummed in the mouth. And also the vagina. Basically, anywhere you can get bummed, they get bummed. Jenna Presley, Riley Evans and Jessica Moore ensure there's plenty of eye candy, the latter getting the business end of two dicks before she's rinsed, while Miss Presley shows off her new top cunts. ★★★

JESSE JANE ONLINE (DIGITAL PLAYGROUND)

Jesse Jane Online? Big deal, we've had the internet for ages. Bet she's still on dial-up too! Director Robby D does a decent job of welding an internet dating story onto the action here, but it's the ladies we're stroking to, not the nuances of plot. And what ladies. Jesse Jane never disappoints, Shawna Lenee's boobs might be a bit stupid but she's still ridiculously horny, and Madelyn Marie is all kinds of pretty as far as *Club*'s collective cock is concerned. What's more, we've learned that girls' faces soak up semen. Who knew? ★★★★

KEY'S LIME PIE

HER GOODS REALLY DO TASTE THAT GOOD!

Anetta Keys in the kitchen with a bunch of fruit and food – it's porn cliche heaven. If we want, we can do all that 'what you got cookin'?' type stuff now, but we're going to rise above it.

Erm, this is harder than we thought. I mean, there's a banana in that picture, you don't understand the temptations we have to resist. There's some cream. Anetta is begging to be covered in puns and weak gags we first coined in the 70's. But we will stand strong, we will be firm and resolute, we will... nice muffins, Anetta. Shit. ♣

GAIL'S BLOWING ♣

If only she was blowing us...

We know quite a few girls who like porn – we get letters from them every week – but we've never met any girl with as big a porn stash as Gail.

"Oh yeah, I'm a real porn hound," confesses the native New Yorker. "I used to buy a lot of magazines, but now I'm really working on my DVD collection. It's getting big."

How big?

"Believe it or not, about 2000 DVD's! It gets addictive. You find a director or a star you like and you end up getting all their stuff. It's out of control."

And have you watched them all?

"Not only that, I've stroked my pussy to every single one. Yup, I've been doing a whole lot of masturbating and I'm off to buy some new porn today. It doesn't stop!" ♣
